WHAT DO SUPERVISORS THINK

IF THEY HAD THE OPPORTUNITY,
80 %
OF SUPERVISORS WOULD OFFER THEIR INTERN A JOB.

98% of the internship supervisors consider that their intern fit in quickly and with the company with their intern's tasks.

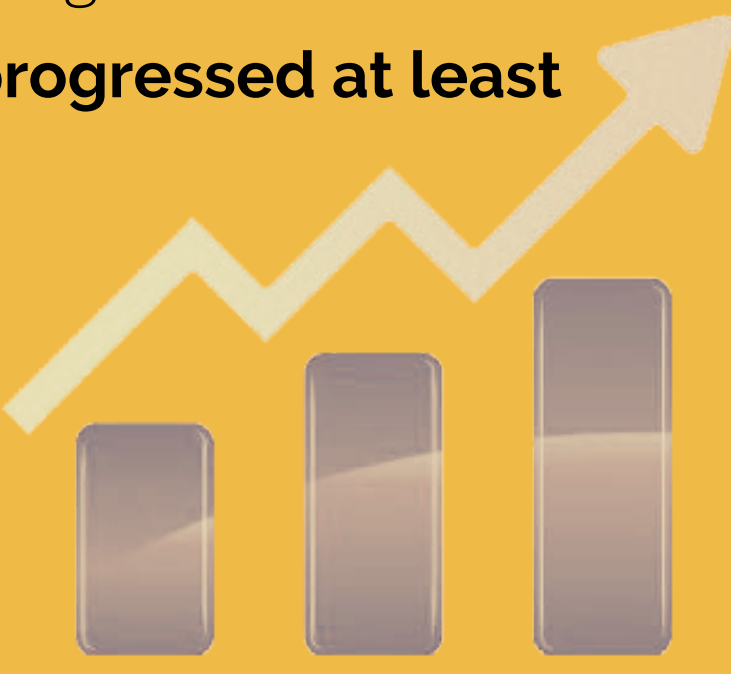

THE BENEFITS OF HAVING A FRENCH INTERN

- DEVELOPPING French customers and targeting French market
- INITIATIVE Involvement, responsibility and eagerness to learn;
- NEW work methods
- CULTURAL exchange

It's great to have an intern for 6 months, as it provides enough time to evolve her abilities and our work together. Specially Lucie, who is full of interest and initiative. She is doing an amazing work.

Laila MARTINHO / OXFAM – Irlande

82% of supervisors think their intern improved their language level
40% of them believe their intern progressed at least two levels in language.

ALL supervisors consider that their intern has acquired skills and that the quality of the work accomplished has improved.

80% of them think the quality of work has improved of at least 2 levels
